**1209 Bleams Road, Mannheim**

Get a jump start on your summer gardening this year and support the Canadian Breast Cancer Foundation with **The Power of Pink**.

On **Thursday, May 13<sup>th</sup> from 4 to 8pm**, join the friendly folks at Colour Paradise for an evening of informative seminars and get a guided tour of the greenhouse operation. See first hand the technological and environmental initiatives that make the operation an industry leader in responsible eco-agriculture.

Prepare for the summer blooming season. A portion of the proceeds from every plant sold, along with a donation in the name of 'The Power of Pink', will be made to the Canadian Breast Cancer Foundation.

Stay for prize draws and refreshments served against a spectacular 30 foot 'Wall of Pink'. An enormous cascading wall of wave petunias frame a relaxing 'country garden' reception area. A great photo opportunity.

Colour Paradise Greenhouses and Garden Centre is located at 1209 Bleams Road, Mannheim. We're closer than you think. Just follow Ottawa Street 3 minutes west of the Sunrise Centre. We're just west of Trussler Road.
